Published quarterly by the Institute of Mathematical Statistics in March, June, September and December at Baltimore, Maryland.

Subscription Rates. Current issues are $12 per volume (four issues of one calendar year) in the U. S. and Canada, $10 per volume elsewhere. Single issues are $3.50. Back numbers are $12 per volume, $3.50 per issue, $200 for the first 25 volumes, $10 per additional volume purchased at the same time as Volume I through XXV.

Communications concerning **subscriptions, back numbers, payment of dues,** etc., should be addressed to A. H. Bowker, Treasurer, Department of Statistics, Stanford University, Stanford, Calif.

Communications concerning **membership, changes of address,** etc., should be addressed to George E. Nicholson, Jr., Secretary, Department of Statistics, University of North Carolina, Chapel Hill, N. C. Changes of address which are to become effective for a given issue of the *Annals* should be reported to the Secretary on or before the 10th of the month preceding the month of issue.

Editorial Office. From July 1: Department of Statistics, Eckhart Hall, University of Chicago, Chicago 37, Illinois, W. H. Kruskal, Editor.
